Ms. Rachael Carletto, Director of Curriculum & Instruction

Hello CPS Parents, Guardians and Staff,

New Jersey statute N.J.S.A. 18A:7C-6.6 requires school districts to notify parents and guardians by October 1st of any statewide or district assessments that will be administered over the course of the school year. CPS values the data these assessments provide and will utilize the information to modify programs, curriculum guides, and allow for personalized instructional support. Thank you for your continued support and partnership in your child's educational journey.
